

In July 2007, we had a great summer school on culture and cognition at the [Central European University](#) in Budapest organised by György Gergely and Dan Sperber. The proceedings were video-recorded and many of the lectures (by Rita Astuti, Pascal Boyer, Susan Carey, Gergely Csibra, Dan Fessler, György Gergely, Pierre Jacob, Dan Sperber) and of the students' presentations (by Coralie Chevalier, Claire Cooper, Christophe Heintz, Olivier Mascaró, Vlad Naumescu) are now visible online at the school's Youtube channel [here](#).
