

The [CEU Budapest Conference on Cognitive Development](#), organised by the [Cognitive Development Center](#), is the only annual European conference focusing on cognitive development. The Third BCCCD will take place January 10-12, 2013. Invited speakers: [Stanislas Dehaene](#) (Collège de France) and [Laurie Santos](#) (Yale University). Invited symposium on 'Bayesian modeling of cognitive development' (Organizer: [Noah Goodman - Stanford University](#)). Submissions for symposium proposals and poster are welcome in all related topics and areas.

SUBMISSIONS will open June 2nd for symposium proposals and poster abstracts at <http://www.assisztencia.hu/bcccd/>.

SYMPOSIA: A symposium consists of 3 presentations and a discussant. We have set up a Facebook page for potential symposium participants to find each other. See BCCCD13 symposium finder. Deadline for symposium proposals: September 17, 2012. Notifications of acceptance will be sent out by October 1 at the latest. We have limited slots for symposia, and participants of submitted symposia that cannot be included in the program are welcome to resubmit their presentation for the poster sessions.

POSTERS

There are two deadlines for poster abstracts:

- Early deadline for those who need an early decision to apply for funding: July 2, 2012. Notification of acceptance: July 23, 2012.
- Standard deadline: October 15, 2012. Notification of acceptance: October 29, 2012

The meeting will begin at 1 PM on Thursday, January 10th, 2013 and ends in the evening on Saturday, January 12th. Conference attendance will be limited and there will be no parallel sessions.

For more information see the conference website at <http://www.assisztencia.hu/bcccd/>
